## Dear Distribution- and Business Partners,

With this first issue of the ARCORA International Update in 2019 we would like to inform you about our latest products, developments and our current activities.

We would like to point out, as in every issue, we are interested in your opinion. So please, do not hesitate to contact us for your feedback, either on our homepage or per E-Mail: [export@arcora.de](mailto:export@arcora.de)

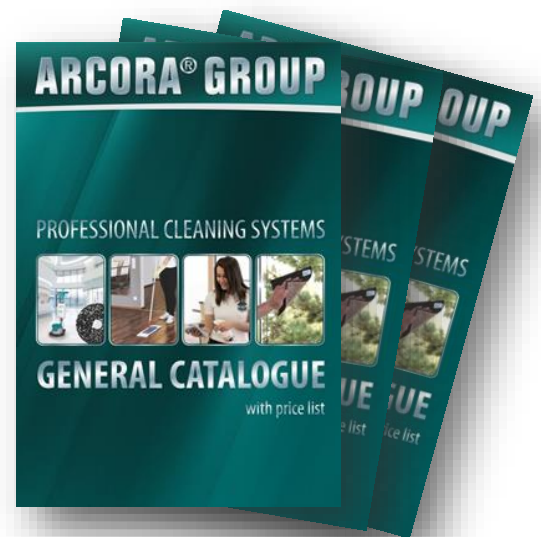

Feel free to contact us for further questions.

Your ARCORA TEAM

## NEW! ARCORA General Catalogue 2019

We are pleased, that the ARCORA General Catalogue, which covers our whole range, is now available. From cleaning and care products to cleaning textiles, accessories, pads, machines and cleaning carts, ARCORA offers its customers a comprehensive and high-performance product portfolio for all cleaning and hygiene challenges.

The catalogue can be downloaded on the ARCORA homepage at any time.

We are currently working on creating a new ARCORA homepage with a new design. The new homepage will be presented in May 2019.

## ARCORA GROUP at ANFAŞ Hotel Equipment in Antalya

As part of the business expansion ARCORA was present at the equipment fair Anfaş Hotel in Antalya from 16th to 19th January and exhibited its products.

More than 430 exhibitors and over 40.000 visitors from over 29 countries took part at this exhibition.

ARCORA presented its latest focus products like the PU-Pad, Copper Systems, New BORA BASIC Cleaning trolleys etc. With over 220 visitors on our booth we gained a lot of interested and potential customers for the expansion in turkey.

Each year, the Anfaş hotel equipment take place in Antalya and attracts big interest for over 500 hotels in Antalya. Located next to the Mediterranean Sea, Antalya is one of turkey largest and most important cities.

## Outlook on INTERCLEAN Istanbul, April 10.-12.2019 and Pulire in Verona, May 21.-23.2019

ARCORA will present its second exhibition this year in Istanbul at Interclean 2019.

Interclean Istanbul is an important exhibition which attracts distributors from all places especially from the Middle East, CIS and European countries.

We would be glad to welcome you at level B5 booth Number B140.

Our staffs will be prepared to support your individual needs.

For your convenience and as a special welcome from ARCORA, we would like to offer you an entry ticket for Interclean 2019.

At Pulire in Verona 300 exhibitors, including machinery, equipment and chemical product manufacturers from around the world, exhibit the newest products and solutions for industrial cleaning and room hygiene. A three-day event, which takes place from May 21 to 23 2019 in Verona, Italy. ARCORA exhibition team would be pleased to welcome you at hall 4, booth number F6.
