X-LINE POCKET WIPES

DISPOSABLE WET WIPES FOR HAND DISINFECTION

**Reliable hand disinfection
on the move!**

Article-no.	Units	Weight Boxes
01315	1000 pcs	7,5 kg

With pleasant fragrance

12 cm

The X-LINE disposable wet wipes are practical, ready to use and can be used anywhere and anytime for hand disinfection. Especially in places where water and soap are not available, for example when shopping, at the cash dispenser, in public transport, in restaurants and hotels etc. The X-LINE disposable wet wipes have an effective, absorbing and cleaning texture (honeycomb texture) and are very hygienic due to the single use. As the product solution is based on 70% ethyl alcohol, it has the capacity to kill viruses and bacteria.

Due to additional substances such as essential oil, the product has a skin-caring, protective and cleansing effect.

- ideal for on the road due to handy size
- with 70% ethyl alcohol (effective against viruses and bacteria)
- weight: 45 g/m², honeycomb texture
- ready-to-use
- minimum shelf life: 2 years

The individually packed X-LINE wipes are also ideal for distribution in restaurants, take-away stores, gas station, bakeries and for guests in hotel rooms.

your logo and design for orders from 10.000 pcs.**

**Give viruses and bacteria
no chance!**

Safety data sheet available on request!

X-LINE WIPES MOISTENING SYSTEM

WET WIPE DISPENSER INCLUDING CLOTH ROLL AS SET

**With absorbent, tear-resistant
and lint-free cloth roll**

The X-LINE WIPES MOISTURIZING SYSTEM is a refillable dispensing system for soaking wipes with disinfectants or cleaning agents.

Ideal for rapid and easy disinfection or cleaning wipe-resistant surfaces in medical facilities, schools, kindergartens, retirement homes, fitness centers, as well as in food processing, industrial and public facilities. Especially for areas that need to be disinfected or cleaned several times a day. Also ideally suited for hand disinfection.

The resealable dispenser bucket can be used universally and allows safe and easy removal. The closed system protects the liquid from contamination and evaporation.

- for all wipe-resistant surfaces
- easy handling
- universally applicable
- refillable system
- safe and user-friendly system
- economical use of wipes and application solution
- durability after impregnation - 28 days

dispenser size	article-no.	units
19,5x19,5x22 cm	01109	4 sets

Included in delivery with article no. 01109:

1 wet wipe dispenser volume 5 litres

1 white cover and 1 cloth roll with 350 sheets

PREPARATION

1. Put on gloves to protect the cloth roll from contamination.
2. Remove the cloth roll with gloves from its package.
3. Place the cloth roll in and pull out the first cloth.
4. Dose approx. 2.5-3 litres of ready-to-use application liquid in the desired concentration or use ready-to-use surface disinfectant.
It is recommended to use distilled or demineralized water for dilution to prevent streaks on the surface.
5. Fill in disinfectant solution in the desired application concentration.
6. Insert the first cloth through the cover opening and close the dispenser with the cover
Then wait 30-60 minutes so that the wipes can be soaked.
7. Mark the security label and stick it on to note the expiry date.
8. The wipes can be used for 28 days after soaking.

APPLICATION

Wipe objects and surfaces carefully until completely wetted.

Pay attention to the disinfectant's exposure time and concentration.

REFILLING

1. Put on gloves to protect the cloth roll from contamination.
2. Before refilling, dispose cloth and liquid residues.
3. Clean new or empty dispenser with alcoholic detergent.
4. Disinfect the dispenser with a cloth soaked in disinfectant for 1 minute.
5. Allow all parts to dry thoroughly and refill..

X-LINE SPARE DISPENSER BOX & CLOTH ROLL

SPARE DISPENSER BOX

The dispenser box made of robust plastic is ideal for impregnating wipes with disinfectant or detergent. With a tightly closable cover, which ensures an all-round airtight seal. Very suitable as a refillable dispenser system.

- with carrying handle for easy, fast and comfortable transport
- separately closable removal opening integrated in the cover
- wipes do not dry out
- hygienic extraction
