

PROXAN

STAINLESS STEEL, TAP AND APPLIANCE CLEANER

PROPERTIES

Highly effective, acidic stainless steel, equipment and fittings cleaner for industry, the food industry, kitchen operations and hygiene facilities. PROXAN makes stainless steel shine and cleans easily and efficiently. Removes stubborn dirt such as water scale, alkaline stains, urine scale, sediments, fingerprints, grease, oil and other dirt deposits. For a streak-free and long-lasting shine.

APPLICATION AREAS

Suitable for stainless steel, chrome, aluminium, tiles and stone. Do not use on acid-sensitive materials such as marble, natural stone, enamel wood, aluminium or painted surfaces.

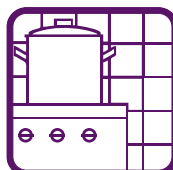

APPLICATION

Apply the product in the respective concentration, let it react if necessary and rinse with clear water. Use undiluted against stubborn deposits, otherwise dilute 1-10 %.

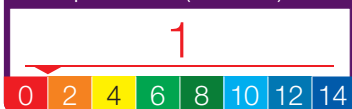

Routine cleaning:	1 %
Intensive cleaning:	10 %
Deep Cleaning:	Undiluted
