

## FAT-CLEAN

READY-TO-USE POWERFUL KITCHEN CLEANER

### PROPERTIES

The ready-to-use kitchen cleaner powerfully cleans grease-, protein- and oil-contaminated alkali-resistant surfaces of all kinds. Especially for cleaning heavily grease-contaminated surfaces and cooker bonnets. Also available in 500 ml spray bottle.

### APPLICATION AREAS

For grease-dissolving cleaning of all washable and alkali-resistant surfaces and objects. Ideally suited for food processing companies such as kitchens, restaurants, canteens, butcher's shops, bakeries, dairies, etc. Especially recommended for cleaning heavily grease-contaminated surfaces and extractor bonnets, etc. Perfect for thorough daily cleaning. Check material compatibility in advance. We accept no liability for damage caused by improper use.

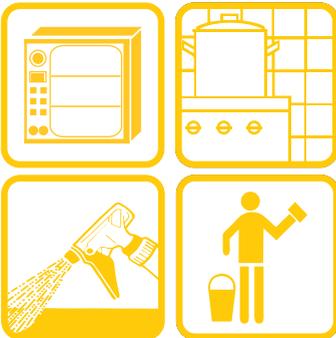

### APPLICATION

Spray FAT-CLEAN onto the surfaces to be cleaned and let it work in, depending on the degree of soiling. Do not allow to dry, as this will make subsequent rinsing more difficult. Work on stubborn crusts and dirt with a non-scratching fleece, pad or brush. Rinse off loosened dirt and product residues with water and wipe off with a microfibre cloth.

### INGREDIENTS

< 5 % non-ionic surfactants, < 5 % cationic surfactants, sodium hydroxide, colourants
