

GRILL-CLEAN

READY-TO-USE HIGHLY ALKALINE OVEN CLEANER

PROPERTIES

Ready-to-use, highly alkaline grill and oven cleaner for intensive cleaning of alkali-resistant surfaces. Dissolves heavy soiling such as grease, oil and protein incrustations as well as frying residues. Burnt-on, charred and encrusted stains are no problem for the **LOW ODOUR** OVEN CLEANER. Also available in 500 ml spray bottle.

- high grease dissolving power
- fast-acting
- foaming cleaner
- free from fragrances

APPLICATION AREAS

For grease-dissolving cleaning of all washable and alkali-resistant surfaces and objects such as ovens, grills and convection ovens. Thanks to its foaming action, the grill cleaner is also ideal for cleaning vertical surfaces. Ideally suited for food processing companies such as kitchens, restaurants, canteens, butcher's shops, bakeries, dairies, etc. Perfect for thorough and daily cleaning. **NOT** for alkali-sensitive surfaces.

Check material compatibility in advance. We accept no liability for damage caused by improper use.

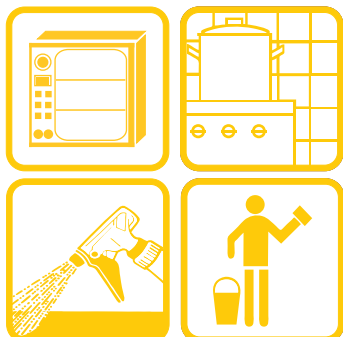

APPLICATION

Apply to a cold surface. Apply an undiluted foam to the surface and let it react according to the degree of soiling. Treat the surface with a non-scratching fleece, metal pot cleaner or a brush. **Then rinse thoroughly with clear water** and heat up the unit after cleaning.

INGREDIENTS

< 5 % non-ionic surfactants, < 5 % amphoteric surfactants, potassium hydroxide, sodium hydroxide
