ORGANIC CLEANER AND **ODOR REMOVER**

BIO-LIVE®

ORGANIC CLEANER AND ODOR REMOVER

PROPERTIES

BIO-LIVE is an odor neutralizer that removes even the toughest odors. The cultures contained in BIO-LIVE are live microorganisms that remove soils and stains that have penetrated deep into surfaces to eliminate bad odors.

- Can also be used to treat stains on carpets, fabrics, table linens and bed linens.
- Leaves a long-lasting pleasant fragrance.

APPLICATION AREAS

For odor control in drain, floor and surface areas in nursing homes, hospitals, restaurants, schools, hotels and public sanitation facilities, for example on toilets, bathrooms, carpets, upholstery, bedding, etc.
