

CLEANER AND RESTORER

PREMIUM QUALITY
MADE IN GERMANY

CITRUS 2IN1

CLEANING AND POLISH RESTORER

PROPERTIES

CITRUS 2IN1 is a floor cleaner and polish restorer that cleans and conditions in one step.

- Gives the floor a bright shine
- Fewer deep cleanings are required, thanks to a longer removal and application cycle
- Contains unique "liquid refreshers" that prevent powdering of the coating
- Increases the slip-resistance on the surface of the finish

APPLICATION AREAS

Suitable for use on all ARCHEM coating systems.

APPLICATION

Infrequent restoration: Dilute with water 1:64 (16 ml per 1 liter of water)

Frequent restoration: Dilute with water 1:128 (8 ml per 1 liter of water)

Spray Cleaner: Dilute with water 1:10 (100 ml per 1 liter of water) and pour the diluted solution into a spray bottle.

Application with a mop: Damp mop the floor with CITRUS 2IN1 and a mop. Allow the floor to dry for 5-10 minutes and then polish with an ultra-high-speed machine with appropriate pad, depending on the desired level of shine.

Application with a spray bottle: Lightly spray the floor using a spray bottle filled with the diluted solution. Allow the floor to partially dry for 3-5 minutes (do not allow the floor to dry completely). Then polish with an ultra-high-speed machine with appropriate pad, depending on the desired level of shine.

INGREDIENTS

≥ 5 % - < 10 % Coconut oil diethanolamide, d-limonene. < 5 % Nonylphenol, ethoxylated, 2-Propanol, potassium hydroxide, 4-Chloro-3,5-xenol.

UL classified slip resistant

pH-value in concentrate

11-12,5

• **Type:** Cleaner/restorer
• **Form:** Liquid
• **Fragrance:** Citrus
• **Color:** Yellowish (beige)
• **Foam formation:** Low

- Before always read the indications and product information.
- For commercial / industrial use only!
- Reusable containers

Danger

Contains d-limonene potassium hydroxide 4-chloro-3,5-xenol. Flammable liquid and vapour. Causes severe skin burns and eye damage. May cause an allergic skin reaction. Toxic to aquatic life with long lasting effects.

- Read label before use. Keep out of reach of children. If medical advice is needed, have product container or label at hand.
- Wear protective gloves. Wear eye or face protection. Wear protective clothing. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Use explosion-proof electrical, ventilating, lighting and all materialhandling equipment. Avoid release to the environment.
- IF INHALED: Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER or physician.
- IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water or shower. Immediately call a POISON CENTER or physician.
- IF SWALLOWED: Immediately call a POISON CENTER or physician. Do NOT induce vomiting.
- IF IN EYES: Immediately call a POISON CENTER or physician.
- Keep cool.
- Dispose of contents and container in accordance with all local, regional, national and international regulations.
