

CLEANING CLOTH

DISPOSABLE FLEECE CLOTH

SPECIFICATIONS

Measures: approx. 60 x 25 cm
Units: 10 x 100 = 1000 pcs.

PROPERTIES

Disposable non-woven cloth is optimal for single use. An impregnated cloth for dry cleaning of floor coverings. The dirt can be easily picked up with the fleece. It reliably removes dust, dirt and liquids in small quantities.

APPLICATION

Suitable for daily cleaning of any floor covering. The soft, high quality nonwoven makes the disposable nonwoven wipes ideal for use on coated and uncoated floors. Especially good for cleaning wooden floors. For single use
