

HEAVY-DUTY FLOOR CLEANERS

GROUT CLEANER

PROFESSIONAL GROUT CLEANER

PROPERTIES

Ready-to-use, acidic special cleaner for all cement, mineral and silicone grouts. Effortlessly removes organic soiling, grease, soap and care product residues and other dirt deposits.

GROUT CLEANER ensures bright and hygienically clean wall and floor grouts.

With practical spray head for spot cleaning.

APPLICATION AREAS

For all cement, mineral and silicone grouts in e.g. kitchen, bathroom, swimming pool, wet room and sanitary facilities, etc. **Do NOT** use on acid-sensitive surfaces. Check material compatibility in advance on an inconspicuous area. We accept no liability for damage caused by improper use.

APPLICATION

Spray GROUT CLEANER undiluted onto the joint to be treated and allow to react for 5 to 10 minutes. Brush off the loosened dirt with a grout brush and rinse off well with clear water. Natural stone containing lime will not be attacked even if the product is left to act for a longer period of time.
