

No2 DEGREASER

HIGH-PERFORMANCE ALKALINE POWER CLEANER

PROPERTIES

Powerful alkaline cleaner for dissolving heavily oil and fat containing soiling in the kitchen and industrial areas.

- high-yield
- powerful
- hygienic
- degreaser
- aromatic scent

SUITABILITY

ADS No2 Degreaser is suitable for food operations and for cleaning solvent and alkali-resistant surfaces, such as kitchen floors, workshop and production floors. For use in high-pressure devices and for large-scale automatic cleaning with a cleaning machine. Not suitable for linoleum and alkaline-sensitive floors.

Before use check the material compatibility. We assume no responsibility for damages caused through inappropriate handling.

APPLICATION

For routine cleaning:

Normal soiling: Dilute 100–200 ml to 10 liters of water.

Heavy soiling: Dilute 200–2000 ml to 10 liters of water.
