

MICROFIBER CLOTH

MULTI-SHINE DISHCLOTH

MICROFIBER CLOTH IN BLUE

SPECIFICATIONS

yarn blend:	100% microfiber
weight:	ca. 50 g/cloth
size:	50 x 60 cm
units:	15 x 10 = 150 pieces

PROPERTIES

The cloth consists of a very fine and easy-care fabric and has an above-average service life. Cleans ideally, lint-free and grease absorbing all smooth surfaces.

Further properties:

- Double stitched edge protection and additional quality edging tape
- Cost and time savings compared to conventional cleaning cloths
- Maximum absorption force of dirt and water

APPLICATION

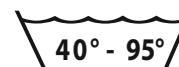

Can be used both dry and wet.

APPLICATION AREA

For drying and cleaning dishes.

WASHING RECOMMENDATION

A washing temperature of 60 °C is recommended. A maximum washing temperature of 95 °C should not be exceeded. The use of fabric softeners and bleaching agents should be avoided. In general, it is recommended to wash only one type.

No fabric softener
and use bleaching agents
Washing by type
