

The mop with unique gliding ability! W-WEAVING EASY GLIDER TECHNOLOGY

**Guaranteed to achieve optimum cleaning results without much effort!**

- wipes the "8" almost by itself
- high employee acceptance
- guaranteed fatigue-free work
- so far unattainable high area performance up to 40 m².
- the interrupted weave ensures ideal dirt pick-up and cleaning performance
- PU-reinforced back → high durability

#### FEATURES

The FUTURE PU-MOPP guarantees optimum cleaning results on all elastic floors and hard floor coverings without much effort. With this smooth motion sensation, a previously unattainable high area performance of up to 40 m² can be achieved. The special weaving technique W-WEAVING EASY GLIDER TECHNOLOGY enables fatigue-free working. This new technology reinvents the wiping of an "8". In addition to its perfect gliding properties, the FUTURE PU MOPP convinces with optimum dirt absorption and cleaning performance due to the interrupted weave (plus-minus effect). The PU-reinforced back ensures a long durability. The improved ergonomics gained through this wipe cover achieve a high level of employee acceptance and facilitate the daily work of the cleaning personnel.

#### APPLICATION

Can be used both dry and wet on smooth, coated and uncoated floor coverings. Also ideal for preparation.

#### APPLICATION AREA

Ideal for the maintenance cleaning of elastic and hard floors. Particularly suitable for use in the health sector, building cleaning, inclinations, retirement and nursing homes, hotels, industrial laundries and public facilities. Suitable for all conventional flat press systems.

#### LAUNDRY RECOMMENDATION

A washing temperature of 60 °C is recommended. A maximum washing temperature of 90 °C should not be exceeded. The use of fabric softeners and bleaching agents should be avoided. In general, it is recommended to wash only separately. Drying: The maximum temperature of 80 °C should not be exceeded.

#### SPECIFICATIONS

##### Yarn mixture:

80% supermicrofiber, 20% springy bristle

##### WITH COVER SHEET

Sizes:	40 cm
Weight:	ca. 104 g
Units:	75 pieces
Article-No.:	FFPM40TU
