Wash label:	Embroidery label in WHITE, embroidered on 2 sides
4-colour coding:	BLUE, GREEN, YELLOW, RED

Size:	40 cm	50 cm
Weight:	ca. 109 g	ca. 140 g
Units:	75 pieces	50 pieces
Art. no.:	EMG40FC	EMG50FC

FEATURES

The **MICRO RED DB-FC 2.0** convinces thanks to the tightly woven microfibre yarn with **greatly improved mechanics** on the floor and **optimal cross-linking** of the cleaning solution. The high-quality woven microfibre enables **excellent dirt and water absorption** as well as a **higher surface performance** thanks to the composition of the yarn. The top sheet and the pockets are made of 100% woven polyester material. The sponge insert in the pockets supports the gliding of the holder.

PROPERTIES

- Improved mechanics on the floor
- Optimal cross-linking of the cleaning solution
- Ideally suited for preparation
- Excellent, high dirt and water absorption
- Higher area performance
- Long service life due to high-quality manufacturing process

**For an excellent
cleaning result thanks to
very high
dirt absorption**

APPLICATION

Can be used both dry and wet on smooth, coated and uncoated floor coverings.

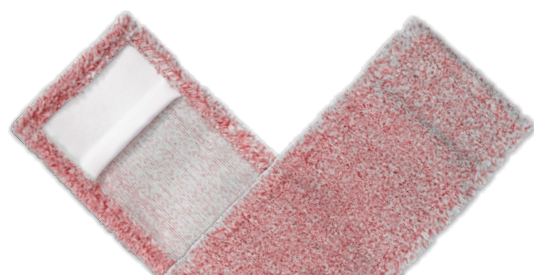

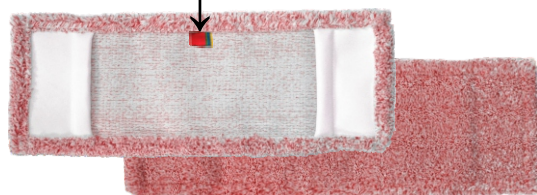

AREA OF APPLICATION

For maintenance cleaning, as well as wet and dry cleaning of any surfaces, such as elastic coverings, hard coverings, porcelain stoneware, stone floors, tiles, laminate floors and ideally suited for smooth and porous floor coverings. Optimal for use in health care, clinics, retirement and nursing homes as well as public facilities and building cleaning. The use of the MICRO GREEN DB-FC 2.0 in large laundries is particularly recommended. For this purpose, the mop covers can be equipped with intelligent RFID chip technology.

WASHING RECOMMENDATION

It is advisable to wash the mop cover before use. A washing temperature of 60 °C is recommended. A maximum washing temperature of 95 °C should not be exceeded. The use of fabric softeners and bleaching agents should be avoided. In general, it is recommended to wash only clean fabrics. Do not exceed 80 °C when drying.

4-color coding

Do not use fabric softener
Wash according to type
