

BRUSH MACHINE

aniko®350 DUO BRUSH

BRUSHING MACHINE WITH ROTATING BRUSHING SYSTEM

PROPERTIES

The ANIKO 350 DUO BRUSH can be used to clean both carpets and hard floor coverings. The ANIKO 350 DUO BRUSH with its counter-rotating brush system is ideally suited for daily use, from the incorporation of cleaning agents through to dirt absorption. Due to the dry cleaning system the drying times are very short, there are no residues and the floor can be walked on immediately. Due to a small working width the use in narrow rooms is guaranteed.

Further features

- working width: 35,5 cm
- Removal of coarse dirt
- For carpet and hard floor cleaning
- Counter-rotating brushing system
- Dry and wet cleaning possible
- Pile brushing

APPLICATION AREA

Suitable for use in cleaning companies, hotels, restaurants, pubs, bars, offices, banks, carpet shops, trains, buses, airplanes, cinemas, theatres, ships, hospitals, sanatoriums as well as in public facilities such as sports halls, schools, universities, libraries, etc.
