### FEATURES

The **EXCELLENT ABRASIV MOPP DB-FC** has an optimal dirt release force due to its abrasive polyamide bristle strips. The mop cover is also ideal against stubborn dirt and has a long durability due to its high-quality manufacturing process. The top sheet and pockets are made from 100% woven polyester material. The sponge insert in the pockets supports the gliding of the holder.

### Other features:

- Particularly suitable for slip-resistant floors and safety floors
- Strong abrasive effect for dirt and stain removal

### APPLICATION

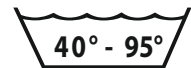

Can be used both dry and wet on smooth, coated and uncoated floor coverings.

### APPLICATION AREA

For maintenance cleaning, deep cleaning of all surfaces such as porcelain stoneware, stone floors, safety tiles and ideal for porous stone coverings. The mop cover is not suitable for coated floor coverings. Particularly suitable for use in industry, clinics, senior and nursing homes as well as public institutions.

### LAUNDRY RECOMMENDATION

A washing temperature of 60 °C is recommended. The maximum washing temperature of 85 °C should not be exceeded. The use of fabric softeners and bleaching substances should be avoided. In general, it is recommended to wash separately. Do not exceed 80 °C during drying.

Do not use fabric softener  
or bleach  
wash separately
