MIXED YARN COVER

SPECIFICATIONS

yarn blend:	40% Cotton 30% Polyester	30% Super-Microfiber
size:	40 cm	50 cm
weight:	ca. 155 g	ca. 195 g
units:	75 pcs	50 pcs

PROPERTIES

The **HOSPITAL QUATTRO MOPP** has a long service life due to the high-quality manufacturing process and is optimally suited for preparation. Thanks to its good gliding properties, work is fatigue-free and high surface outputs can be achieved.

- Optimal use in healthcare due to high-quality yarn fibers (fine cotton, polyester and super microfiber)
- Very high water and dirt absorption

APPLICATION

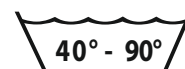

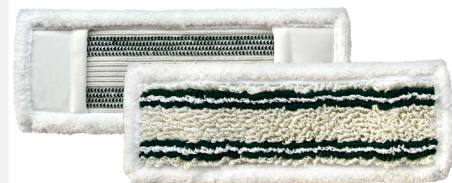

Applicable both dry and wet on smooth, coated and uncoated floor coverings.

APPLICATION AREA

For maintenance cleaning (healthcare) of any surfaces, such as resilient coverings, stone floors, hard floors, porcelain stoneware, tiles and ideally suited for coated and uncoated floor coverings. Particularly suitable for use in healthcare, clinics, retirement and nursing homes, public facilities and laundries.

WASHING RECOMMENDATION

A washing temperature of 60 °C is recommended. A maximum washing temperature of 90 °C should not be exceeded. The use of fabric softeners and bleaching agents should be avoided. In general, it is recommended to wash only single types. When drying, 80 °C should not be exceeded.

Do not use fabric softener
Wash according to type
