### FEATURES

The **ULTRA MICRO BLUE VELCRO MOP COVER** is convincing thanks to the tightly woven microfiber yarn with greatly improved mechanics on the floor and optimal cross-linking of the cleaning solution. The high quality woven microfiber allows excellent dirt and water absorption and higher surface performance thanks to the composition of the yarn.

- Improved mechanics on the floor
- Optimal cross-linking of the cleaning solution
- Excellent, high dirt and water absorption
- Long service life due to high quality manufacturing process

### APPLICATION

Can be used both dry and wet on smooth, coated and uncoated floor coverings.

### APPLICATION AREA

For maintenance cleaning, as well as wet and dry cleaning of any surfaces, such as elastic coverings, hard coverings, porcelain stoneware, stone floors, tiles, Laminate floors and ideally suited for smooth and porous floor coverings. Optimal for use in health care, clinics, retirement and nursing homes as well as public facilities and building cleaning.

### LAUNDRY RECOMMENDATION

A washing temperature of 45 °C is recommended. A maximum washing temperature of 90°C should not be exceeded. The use of fabric softeners and bleaching agents should be avoided. In general, it is recommended to wash only single types. When drying, 60 °C should not be exceeded.

Do not use fabric softener  
Wash according to type
