## ECO PLUS

DISHWASHING DETERGENT FOR DISHWASHERS

### PROPERTIES

ECO PLUS is an environmentally friendly, reliable detergent for machine dishwashing and dirt removal.

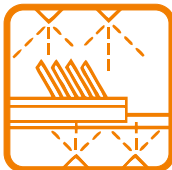

- Suitable for lower and medium levels of water hardness.

### APPLICATION AREAS

For machine dishwashing of dishes and kitchen utensils in the food services industry and in kitchen establishments with a liquid dosage pump.

### APPLICATION

Product concentration in the dishwashing liquor, depending on water hardness: 3-12 g/liter. For recommended dosages, see the table of dosages and values. Adjustment of the dosing system should be done by a trained technician. For best results, we recommend using a GASTRO-LINE rinse aid from this series.
