

The manual 510BM/50L scrubber dryer machine is ideal for deep- and maintenance cleaning, especially of high traffic areas such as shopping centres, supermarkets, offices and public buildings. The 510BM/50L is characterised by flexibility, user friendliness and excellent cleaning performance. Thanks to the large brush diameter, large areas are reliably cleaned quickly without leaving residues.

- Easy handling, ergonomic design
- Excellent cleaning performance
- Robust construction
- Easy brush and plate removal
- High mobility
- Very good suction

**article-no.: SCR510BM**  
**units: 1 set**

Included in delivery are  
built-in on-board charger, batteries,  
pad holder and scrubbing brush

### TECHNICAL DATA
