

# 520BM/55L

## SCRUBBER DRYER MACHINE

The manual 520BM/55L scrubber dryer machine is ideal for deep- and maintenance cleaning, especially of high traffic areas such as shopping centres, supermarkets, offices and public buildings. The 520BM/55L is characterised by flexibility, user friendliness and excellent cleaning performance. Thanks to the large brush diameter, large areas are reliably cleaned quickly without leaving residues.

- Easy handling, ergonomic design
- Excellent cleaning performance
- Robust construction
- Easy brush and plate removal
- High mobility
- Very good suction

**article-no.: SCR520BM**
