**For scratch- and
streak-free cleaning!**

CHARACTERISTICS

The optimal cloth for removing dust and dirt, especially in industry and professional cleaning. The MULTI-LINE cloth is a cost-effective and practical tool for spot cleaning and wiping irregularly shaped surfaces that trap dust and dirt in their structure. The continuous fibres ensure shape retention and stability and guarantee safe, scratch-free as well as streak-free wiping.

- Dust- and lint-free, **ideal for use in cleanrooms.**
- Ideal for sensitive and difficult surfaces
- Also ideal for cleaning or drying glass and painted surfaces
- Can absorb up to 5 times its weight in liquid

APPLICATION

Can be used dry as well as wet.

APPLICATION AREA

For maintenance cleaning of any surfaces. Ideal for smooth, sensitive and difficult surfaces.

WASHING RECOMMENDATIONS

A washing temperature of 60 °C is recommended. A maximum washing temperature of 90 °C should not be exceeded. The use of fabric softeners and bleaching agents should be avoided. In general, it is recommended to wash only clean fabrics.

**Do not use fabric softener &
Do not use bleach
Wash according to type**
