

The RO-MAN 660BR/90L machine was developed in collaboration with experts from Switzerland.

The battery-powered compact ride-on scrubber dryer machine RO-MAN 660BR/90L cleans medium to large areas quickly and comfortably, leaving no residues behind. Thanks to its high cleaning performance with 2 brushes or 2 pad holder and ergonomic operation, effortless and user-friendly cleaning is ensured. Simply operation and a mechanical design guarantee reliable and long-lasting performance.

With a maximum speed of 7 km/h, the speed can be adjusted according to the environment and the level of dirt. A 90 L fresh water tank and a 100 L dirty water tank enable cleaning of large areas.

- **Compact and robust ride-on machine**
- **High maneuverability, ideal for tight areas**
- **Quiet operation**
- **Easy brush and pad holder removal**
- **Excellent suction results**

TECHNICAL DATA

| | |
|-------------------------------------|-------------------------------|
| Motor voltage | 2 x 12 V (24 V) 150 Ah |
| Working width | 660 mm / 2 x 330 mm (2 x 13") |
| Brush motor | 2 x 400 W |
| Brush rotation speed | 180 U/min |
| Suction motor | 450 W |
| Pump pressure | 160 mbar |
| Motor traction power | 500 W |
| Traction speed | 0-7 km/h |
| Clean water tank | 90 L |
| Dirty water tank | 100 L |
| Cleaning capacity | ca. 3800 m ² /h |
| Running time / Charging time | 180 min / 8 h |
| Suction width | 1000 mm |
| Weight w. batteries | 262 kg |
| Dimensions | 140 x 75 x 139 cm |

article-no.: SCR660BR

Included in delivery are:
2 x 12 V / 150 Ah long-lasting maintenance-free gel-batteries, integrated charger, 2x pad holder, 2x scrubbing brushes
