PROPERTIES

The robust **KIM PLUS 30 SINGLE BUCKET** consisting of a 30 liter fresh water tank, a 12 liter waste water tank and a press, is the perfect tool for efficient and hygienic cleaning. The single bucket is available in **5 different colors** for different area applications. The robust material, made from recycled materials (ECOBLACK Technology), makes the single bucket particularly **break-proof and stable**.

Ideal for **daily maintenance cleaning** in hospitals, schools, office buildings, public facilities, facility management, airports and shopping centers, especially recommended for smaller areas. Thanks to the 4 high-quality, smooth-running wheels, the KIM PLUS 30 is easy to handle and can be used comfortably and user-friendly.
