

The walk-behind scrubber dryer with **wheel drive** is ideal for deep and maintenance cleaning, especially in high foot-fall areas such as shopping centers, supermarkets, offices and public facilities. It is characterized by flexibility, user-friendliness and excellent cleaning performance. Thanks to the large brush diameter, larger areas are cleaned reliably and quickly without leaving a residue.

- **Easy handling, ergonomic design**
- **Optimum cleaning performance**
- **Robust construction**
- **Easy brush and drive plate replacement**
- **Extremely agile**
- **Incl. charger, batteries, pad holder, scrubbing brush**
