PRO1^{PLUS}

The powerful & reliable
PROFI vacuum cleaner

PRO1PLUS

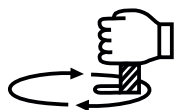

The powerful & reliable PROFI vacuum cleaner

In close collaboration with experts from the hotel industry, building cleaning, and industrial sectors, we have combined all our know-how to develop a dry vacuum cleaner that sets new standards: the **PRO1PLUS**. Reliable, powerful, and intuitive to use – it combines maximum efficiency with the highest level of operating comfort.

A special thank you goes to our customers: thanks to their valuable experience and feedback, the **PRO1PLUS** has become exactly what it is today – the perfect solution for professional demands.

The PRO1PLUS is a powerful and reliable dry vacuum cleaner, ideal for large areas such as offices, hotels, and restaurants, as well as for smaller spaces like medical practices, shops, or private households. Its robust, modern design combined with practical, user-focused solutions ensures efficient operation with low running costs.

parking position for floor nozzle

FEATURES

- robust and stable construction due to shockproof materials and metal housing
- with power switching (900/600 W), for an optimum adaptation even on high-pile carpets
- 15 m power cable in signal colour orange with integrated manual cable winder for safe and practical cable storage
- suction power regulation by auxiliary air valve on the hose handle
- rubber-tired wheels for floor, wall and furniture protection
- exhaust air filter cassette for cleaning exhausted air
- auxiliary air valve for cooling the engine, especially important for continuous use and warmer temperatures
- durable motor for high suction power with 2 stages (900/600 W)
- with large, handy handle for easy and safe transport
- switchable floor nozzle to allow adaptation to different floor coverings
- parking system for floor nozzle to ensure safe and space-saving storage
- including floor nozzle, suction hose, 2 metal suction pipes, crevice nozzle, upholstery nozzle, brush nozzle and 2 fleece filter bags (10 litres)

3-layer fleece filter bag
for optimal dust and
dirt absorption

item-code: 01313

TECHNICAL DATA

voltage	220-240 V / 50 Hz
power	750 W / 1200 W
motor power switchover	900/600 W
airflow rating	53 l/sec.
vacuum	27 kPa
working width bottom nozzle	275 mm
sound level	67 dB
container capacity	10 l
power supply cable	15 m
effective radius	19 m
hose length	2,8 m
container material	shockproof metal housing
dust bag capacity	10 l
suction pipe diameter	36 mm
suction hose diameter	36 mm
weight without accessories	7 kg
dimensions	35x42x32 cm

PRO1PLUS

The powerful & reliable PROFI vacuum cleaner

ACCESSORIES INCLUDING

1 Floor nozzle | 275 mm working width | Ø 36 mm
Noise-reduced vacuum cleaner nozzle with high suction power. The floor nozzle is equipped with a brush for parquet or stone.

item-code: 01307

2 Suction hose complete | 2,8 m long | Ø 36 mm
Flexible hose with auxiliary air valve to adjust suction power.

item-code: 01308

3 Upholstery nozzle | Ø 36 mm
For vacuuming upholstered furniture, cushions etc.

item-code: 01309

4 Crevice nozzle | Ø 36 mm
For vacuuming joints, corners, edges or niches.

item-code: 01310

5 Brush nozzle | Ø 36 mm
For vacuuming uneven surfaces, e.g. profiled strips.

item-code: 01311

6 Suction tube | Ø 36 mm | 2-part
Plug the metal pipes together and connect them to the suction hose and any accessories.

item-code: 01312

7 Fleece filter bag | 10 l | 3-ply
Tear-resistant, 3-layer fleece filter bag for the optimal and safe dust and dirt absorption.

item-code: 01313

EXCLUSIVE ACCESSORIES

Turbo nozzle | 275 mm working width | Ø 36 mm
Turbo nozzle can be used to achieve a very good result in carpet cleaning. Compared to a standard floor nozzle which cleans the surface, a turbo-nozzle guarantees deep cleaning due to integrated brush roller. This enables deep-seated dirt removal from the carpet. In addition, the brushing roller raises the carpet's pile.

item-code: TB-P1-M5

With rotating brush roller

Fragrance granules | LEMON or CLASSIC

For a pleasant and fresh room fragrance, we recommend using the fragrance granules.

Application

Spread a sealing cap of granulate (approx. 3-5 g) on the floor and vacuum into the fleece filter bag with the floor nozzle. Creates a pleasant and long-lasting fragrance during and after vacuuming.

CLASSIC

item-code: 01235

Glass with 52 g granulate

LEMON

item-code: 01237

Glass with 52 g granulate
