**MADE IN EEC**

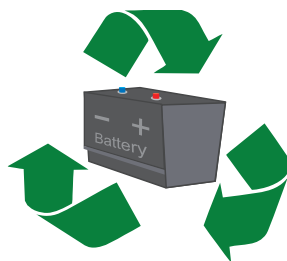

The **ECOBBLACK 45** double bucket has two 20-litre buckets, an ECOBLACK plastic press and a practical storage tray. The two black 20-litre buckets have different coloured handles in blue and red to enable clear separation of fresh and dirty water. The sturdy storage tray is made to fit perfectly and can be attached to the side of the double bucket. It offers space for cleaning agents, mop covers or microfibre cloths.

**From recycled  
battery cases**

- Black, robust plastic frame made from recycled materials
- 2 x 20 litre plastic buckets in black with blue and red handles
- With ECOBLACK plastic press, storage tray and side shelf for mop holder
- 360° swivel, 4 smooth-running wheels
- Handle for guiding the cleaning trolley with holder for aluminium handle

Ideal for daily maintenance cleaning in hospitals, schools, office buildings, public institutions, property management companies, airports and shopping centres. Thanks to its four high-quality, smooth-running swivel wheels, the **ECOBBLACK 45** is highly manoeuvrable and convenient and user-friendly to operate.

**ECOBBLACK® is more than just a material – it represents our active contribution to the circular economy and greater sustainability on our planet.**

**Gross weight: 10,00 kg**  
**Net weight: 8,30 kg**
