

HEAVY-DUTY FLOOR CLEANERS

PREMIUM QUALITY
MADE IN GERMANY

HAMMER®

DIRT-BUSTER / HEAVY-DUTY DEEP CLEANER

PROPERTIES

Alkaline high-performance basic cleaner for all alkali- and water-resistant types of floor coverings.

- Low-foaming powerful cleaner on a special active ingredient basis
- Ideal for all mechanical cleaning processes
- Dissolves machine oil and grease, soot, heavy soiling, graphite and exhaust gas contamination

APPLICATION AREAS

For basic and maintenance cleaning of all alkali- and water-resistant types of floor coverings, e.g. ceramic tiles, PVC, clinker and clay tiles, industrial coverings.

Not suitable for rubber, linoleum and asphalt coverings, unsealed wood or parquet floors, cork and limestone (e.g. marble or terrazzo). Check material compatibility in advance. We accept no liability for damage caused by improper use.

APPLICATION

Manual: Depending on the degree of soiling, dilute 1:1 (4 litres to 4 litres of water) to 1:20 (400 ml to 8 litres of water). Apply cleaning solution, allow to soak in and work with a suitable pad, brush or mop cover.

Machine: Apply according to the machine manufacturer's instructions or diluted up to 1% (10 ml to 1 litre of water). In case of heavy soiling, apply a stretch of water (pre-wet). The cleaning performance can be significantly improved by the use of coordinated scouring pads.

INGREDIENTS

< 5 % non-ionic surfactants
