

CHLORADO®

KITCHEN DEEP CLEANER WITH ACTIVE CHLORINE

PROPERTIES

Highly concentrated basic kitchen cleaner with active chlorine for removing vegetable and animal fats, oils, blood, protein and mould, with simultaneous killing of all bacteria, fungi and viruses. Strong bleaching effect on tea, coffee, fruit and mould stains. **Suitable for the food sector according to HACCP.**

APPLICATION AREAS

Cleans quickly and ensures hygienic cleanliness in the food industry, such as butcheries, dairies, breweries, bakeries, butchers, canteens, etc. Especially for efficient cleaning of chlorine- and acid-resistant equipment, containers, floors, devices, machines, walls and tanks with conventional or heavily greasy soiling. Ideally suited for foam cleaning. Not suitable for non-ferrous and light metals. Test the product beforehand on an inconspicuous spot for material compatibility. We accept no liability for damage caused by improper use.

APPLICATION

Depending on degree of soiling, dilute 200–1000 ml to 10 liters of water. Allow the cleaning solution to work briefly and rinse thoroughly with plenty of water.

INGREDIENTS

< 5% non-ionic surfactants, polycarboxylates
