Unit per box: The box includes 2 sets
Unit per pallet: One pallet includes 9 boxes = 18 sets

Item-no.: EBFP45RC

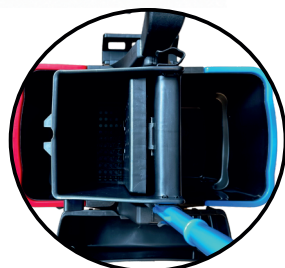

The **ECOBBLACK 45 double bucket trolley with innovative FlexPress mop wringer** is equipped with two black 20-liter buckets. Thanks to the color-coded handles in blue and red, clean and dirty water can be hygienically and safely separated.

The new **FLEXPRESS plastic mop wringer**, made from ECOBLACK Technology, has been specially designed for the vertical wringing of mop heads. It requires less effort while delivering superior wringing performance.

A sturdy storage tray can be attached to the side of the cleaning trolley, providing convenient space for cleaning agents, mop covers, or microfiber cloths. In addition, the ECOBLACK 45 features a side holder for mop frames as well as an ergonomic handle with a holder for aluminum mop handles. Equipped with four high-quality, smooth-running 360° swivel casters, this double bucket trolley offers excellent maneuverability and user-friendly operation for everyday cleaning tasks.
