

PRACTICAL SELF-ADHESIVE STORAGE FOR CLEANING ACCESSORIES

- **Self-adhesive** equipment holder for **smooth and load-bearing** surfaces
- **Withstands high loads: up to weight of 20-30 kg**
- **Very practical and easy to handle**
- **Easy and quick access to equipment**
- **Easy to stick to the wall**
- **Holder with rubber roller and two hooks**

The tool holder for gluing is the ideal storage option for handles and other cleaning accessories. Thanks to sturdy plastic and durable rubber, the TOOLS HOLDER withstands everyday work. With a simple push, tools snap into the rubber roller head-on. Two suspension hooks are provided next to the rubber roller. A practical, stable and space-saving holder for sticking to smooth surfaces, such as tiles.
